Lunar Landing: one of mankind's greatest accomplishments

Apollo 11 was the spaceflight that landed mission commander Neil Armstrong and pilot Buzz Aldrin, both American, on the lunar module Eagle on July 20, 1969, at 20:17 UTC. Armstrong became the first person to step onto the lunar surface six hours after landing on July 21 at 02:56:15 UTC; Aldrin joined him about 20 minutes later. Michael Collins piloted the command module Columbia alone in lunar orbit while they were on the Moon's surface.

Frequently Asked Questions

Where do I pick up my race packet?

See Packet Pick-Up on page 3.

Where should I park?

See Parking on page 5.

Can I register at Packet Pick Up? What about on race day? Do you accept credit cards at packet pick up and/or on race day?

Yes, if there are slots available, but we can't guarantee shirt/goodies bag.

Can I pick up my friend's packet?

Yes you can. You only need the name they registered under to do so. Be sure to coordinate, we have had situations where someone picked up a packet for another and the original runner also showed up asking for their packet.

Is there race day packet pick-up?

Official packet pickup schedule when announced is on the Packet Pick-Up page. We highly recommend packet pickup be completed on one of the designated days. However, we realize it may be impossible for a few people to pickup their packet at the official times. We will have limited packet pickup the morning of the race. You do not need to notify the Race Director if you need to pick up your packet on race day.

Timing

Your chip will be on your bib, which you will get with your packet. The timing tag is attached to the back of your bib. All participants must wear their bib on the front in a way that it can be seen by course officials. Do not forget your bib on race morning. NO BIB, NO TIME. If you forget your bib, you will need to pay \$10 to replace it. Non-registered runners and/or bandit runners will be removed from the course. No one will be allowed to finish the race without a bib.

What if I forget my bib at home?

If you lose your bib or you forget it at home there will be a \$10 charge to reissue you a new bib.

Will there be a place to leave a drop bag for the race?

No.

I can no longer make it to the race. Can I get a refund?

There is NO RAINCHECK for this event. Your entry fee for this year's event CANNOT be transferred to next year's event, and there are NO REFUNDS, no exceptions. This policy stays in effect whether you are injured, have an unexpected business or family emergency, pregnancy, etc. There are NO exceptions. Seriously.

You CAN donate your entry to charity, you will get a cash donation receipt. Just let us know!

You can transfer your entry to another person for free prior to race day and \$10 on race day. Please contact us to do so at: <https://www.yurisrunhouston.com/contact-us/>.

Can you mail my race packet to me or can I pickup my packet after the race, even though I'm not going to run?

No. All unclaimed race packets will be given to late registrants at the race.

What is the minimum age requirement and do you need a parents or guardian's consent to participate?

The minimum age for the 5K is 6 years, and we do need the signature of a consenting parent or guardian. No runner under the age of 12 may participate in the 5K unless accompanied by an adult. There is no age limit for Kids 1K.

I left early, but it looks like I won an award. Can you mail it to me?

No, we do not mail out awards after the race. You may be able to pick up your award at a designated location, usually one of the packet pick-up spots. Check with us via the Contact form.

The shirt in my packet doesn't fit, can I exchange it for a different size?

We post deadlines for both bib name and shirt size selection, and order shirts in advance according to what you selected if you register by those deadlines. We estimate the remainder. If we have any extras after the race you are welcome to exchange, but if the race fills, extras for exchange are unlikely.

Are strollers welcome?

Yes. We strive to make this event as family friendly as possible. Please be courteous to other runners by keeping to the back, being aware and staying clear of other runners.

Are dogs welcome?

Yes. Please be courteous to other runners by keeping to the back, being aware and staying clear of other runners.

Will there be Port-a-potties on the course?

Yes, every Aid Station will have Port-a-potties.

I'm running, can my spouse/family volunteer?

Yes, we can use all the help we can get. They can sign up for the volunteer schedule [here](#).

Will there be an after party, with food and drinks?

A. Definitely!

Weather Contingency Plan

Rain

The event will NOT be cancelled due to rain alone unless the downpour is such that athletes, police, and volunteers lose visibility making situations unsafe. If this occurs we will wait until the rain subsides and follow the same procedure listed for lightning conditions (minus the 30 minute rule). Athletes will be informed of such a change via announcements on race morning.

Lightning

In the event of lightning the race will be postponed by 30 minutes every time lightning is spotted and thunder is heard within 6 miles of the event. Please note that every time lightning strikes and thunder is heard within 6 miles of the race site we must delay the start by 30 minutes.

Tornado Warning

If at anytime before (race morning close to start time) or during the event, a tornado warning is issued, the race will be cancelled.

On Course Cancellation

If the race is canceled due to storms (lightning and/or excessive rain) or tornado warnings while it is in progress, we will do everything in our power to alert everyone on the course. All police, SAG, and medical personnel will be made aware and do all they can to warn and SAG in all participants. We will also do everything in our power to assist those that are still on course. Those that are on course without means of rescue should seek immediate shelter via open stores, buildings, garages, homes and/or any other means of protection from

the dangerous conditions. If it gets bad and we are not there to help you off the course please do everything you can to keep yourself safe and take shelter.

Because of agreements with the Texas Department of Transportation and various municipalities regarding a fixed amount of time to have roads closed or in use or the time of public safety or law enforcement officials, Running Alliance Sport, at any time, reserves the right to shorten the distance of any of its races to comply, especially in dealing with inclement weather conditions that may make any course unavailable or unsuitable for runner participation.

Why does all of this seem familiar?

RAS

Running Alliance Sport

By Runners. For Runners.

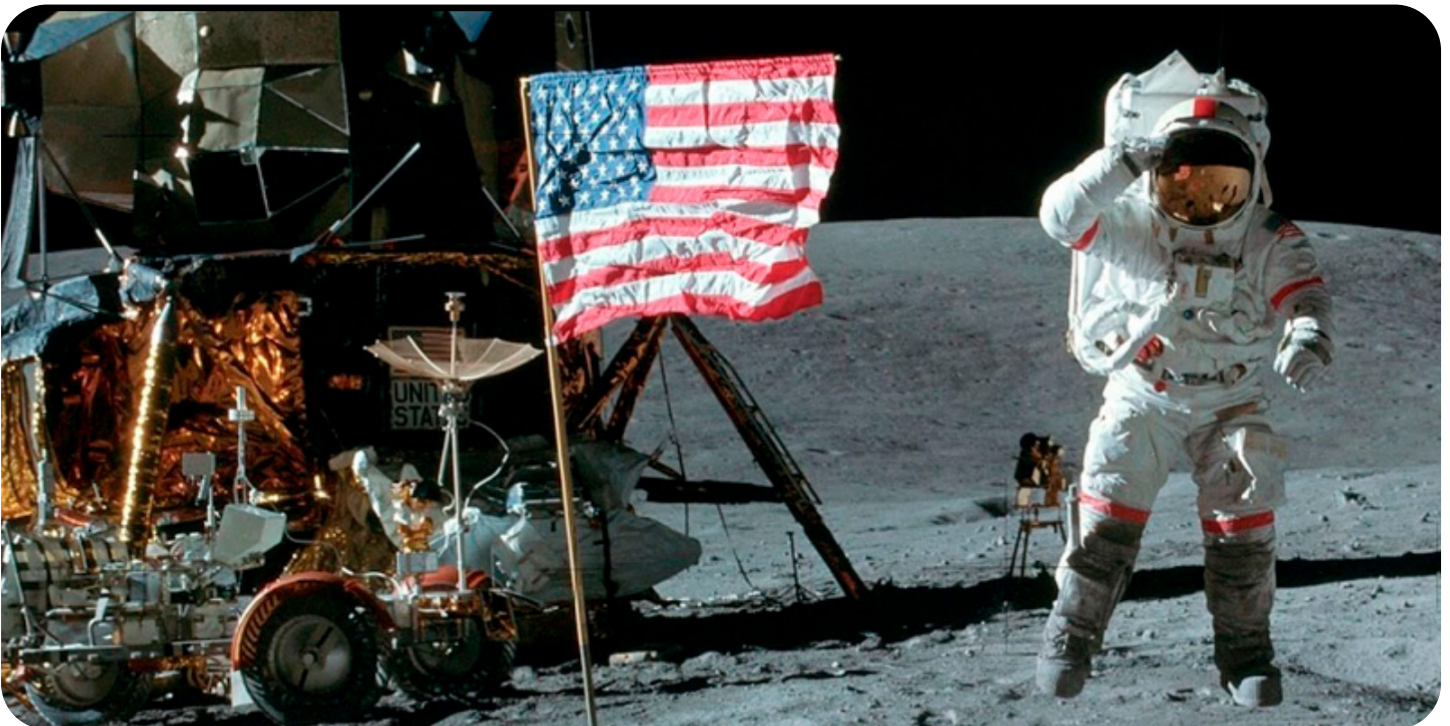

We are a 501(c)(3) non-profit organization. Our motto is "By Runners, For Runners." At Running Alliance Sport (RAS) races, runners always come first. We put our hearts into creating, organizing, staffing, and managing these events. We do what we do because we are runners, and we love this community. Since the beginning, we have stood out from other race organizations by providing runners with a value experience. Once you race with us, we know you'll want to come back for more! RAS gives back to the community in every way we can. RAS donates all proceeds (that's everything after our "cost of production") to local charitable causes. Thanks for running our races and participating in our events.

About Us

Calling the greater Houston area home, Running Alliance Sport (RAS) is a not-for-profit event production company that has a passion for producing quality running events which, in turn, support local communities and its charities. With the help of our volunteers, RAS successfully works with city governments in Nassau Bay, Mont Belvieu, Houston, Alvin and Friendswood to produce six races annually from March to December and has donated over \$1 million to local charities since its inception in 2011. For more information, visit runningalliancesport.org.

Net proceeds from the Lunar Landing Family Fun Run goes to local charities.

Participating in the Lunar Landing 5K and Kids 1K is a great way to celebrate one of mankind's greatest accomplishments.
